Parables “The Most Valuable Thing”- 3/24/20

Key Verses- *Matthew 13:44-46*

1. How is week 2 of being out of school going? What have you done to fill up your extra time? How has your week been? Any struggles or highlights you want to share?
2. What would you say you value the most in your life? How does the thing you most value affect the rest of your life?
3. In this parable, the Kingdom of Heaven is equated to a treasure & pearl, making it worthy of giving up everything for. Why would Jesus say that heaven is worth everything? Do you agree or disagree and why?
4. Why does making God the most important/valuable thing in your life make you better at prioritizing and valuing other things appropriately?
5. If God is not the most important thing to you, but you want Him to be, how can you reorder what you value most in your life to put Him on top?
6. Even though most of us are stuck at home right now, what can living as a citizen of heaven look like now as well as when life gets a little more normal?
7. What daily disciplines/reminders can we add to our lives to help us (individually and as a group/family) treat God and His Kingdom like an incredibly valuable treasure that we have found and are willing to give up everything for?

End every group by praying for each other and for the things mentioned in the group. Each week pray for the people the group is trying to BLESS (see below). You can ask for prayer requests as well. Pray everyone can encourage each other in their daily relationship with God and show people who He is with their lives.
