## SMALL GROUP QUESTIONS

**Parables** “A Clean Heart”- 3/31/20

**Key Verses-** Mark 7:14-23, Proverbs 4:23

1. How has week 3 of the quarantine been? Any struggles or highlights you want to share?
2. What stuck out to you in the message/teaching video this week?
3. What are some things you do to seem “good” to everyone?
4. Both Jesus and King Solomon tell us that our hearts are where our life flows from. How can we tell what’s in our heart? What can we do to guard our heart? How do you get a clean heart in the first place?
5. We want to allow the love of God and our new identity as His son or daughter to be what defines and flows from our heart. Embracing the gift of God’s love is a key to that. How can we let God love us instead of trying to earn His love?

*End every group by praying for each other and for the things mentioned in the group. Each week pray for the people the group is trying to BLESS (see below). You can ask for prayer requests as well. Pray everyone can encourage each other in their daily relationship with God and show people who He is with their lives.*
