## COMING IN HOT - Transformation

**GOAL OF SMALL GROUPS:** Create the type of environment where every student is...

- **KNOWN**
- **MET WHERE THEY ARE**
- Invited to recklessly and courageously **FOLLOW JESUS**

Over the course of this series, we want to help each student discover how the Kingdom of God impacts them personally every day and to guide them towards spending time with God every day. Below are Small Group Questions and some things to help students do on their own this week.

### SMALL GROUP QUESTIONS

**Bible Verses:** Matthew 13:33, 44-46; Romans 12:2

1. What is the biggest way this COVID-19 global pandemic has transformed your way of life? What has been the hardest part about this transformation? What has been the best part of it?
2. How did you answer the question Todd asked in the video: *What is God's main desire for you?* In other words, what do you think God wants most for your life?
3. Have you experienced God transform your life in any way since choosing to follow Him? In what way(s)? What does that level of transformation say to you?
4. If God's goal is total transformation through His Kingdom coming into our lives, how does He go about doing that? What role do I play in that process?

### ON YOUR OWN *\*Things to do this week in your time with God*

1. Think about this truth as you go about your week: ***God's main desire is to make you like Him.*** Write down the areas that you need God's transformation the most, and ask God to bring that transformation.
2. Read Romans 12:1-2. What behaviors and customs of this world have you been copying? What does it mean for God to "change the way you think"?
3. If God's Kingdom is bringing transformation to our lives, we should be able to see it. Each month, journal ways that you have seen God's Kingdom on the move in your life.
