

HELPING SOMEONE WITH FINANCIAL QUESTIONS

“For where your treasure is, there your heart will be also.” Matthew 6:21

Financial wellness is an essential part of your Christian walk. God is our provider and as He provides for us, we must give back into his Kingdom. That can be hard to do when you have fallen on financial hardship. Below are free tools you or a group member can use to get started on a road towards financial wellness.

West Ridge also offers various financial courses through Dave Ramsey’s “Ramsey +” package. For \$89 you can have access to a library of online courses, in person courses taught by West Ridge Financial Growth group leaders, and tools to help you reach financial wellness.

Here is how you can purchase the “Ramsey +” package, sign up for the most current virtual or in person classes, or contact someone about scholarship options.
