

Series Overview: People often say, "It's about the journey, not the destination," when their travel plans don't work out how they expected. This phrase couldn't have been truer for Job, who went through a shocking journey. In this 4-week series, kids will hear from Job's story as he learned to navigate loss and trust God's itinerary every step of the way. Through the story of Job's perseverance and faithfulness, kids will learn that God is with them no matter what they go through, they can show God's love in small ways, God is bigger than they could ever understand, and they can trust God will make everything right.

Series Memory Verse: The Lord will watch over your coming and going both now and forevermore. Psalm 121:8
