

**Series Overview:** This month we are going on a road trip to learn about a “road trip” God’s people took through the wilderness. This road trip was a little less glamorous than what you might have experienced, but it was a long journey all the same. As we pretend to travel with the kids, we will introduce them to God’s “rules of the road” in the ten commandments that He gave to Moses, as well as, the rule Jesus called the greatest commandment – to love God and to love our neighbors as ourselves. Together we will discover that we can love God and others by putting God first, worshipping God, loving our families and loving everyone.

**Bible Story:** The Third and Fourth Commandments (Exodus 20:7-11; 32:1-14)

**Big Idea:** We obey God by worshipping God.

**Series Memory Verse:** Love the Lord your God with all your heart. –Luke 10:27a

**4. Review the story with your family:**

**\*Supplies: 1 Children’s Bible & 1 Adult Bible per group**

- Show your family the adult Bible and read Exodus 20:7-11 to them.

- Tell them that we are still in the second book of the Bible called Exodus. Remind them that the Bible is God's story written down for us. It is the word of God! It is powerful and true!
- Show your family the picture of Moses getting the 10 commandments from God in the Children's Bible and ask them what they remember from the large group message.
- Discuss the following questions...
  - What is the third commandment? (Give them part and let them finish the command)
  - What is the fourth commandment? (Give them part and let them finish the command)
  - What do these commandments tell us about worshipping God?
  - Why do we worship God?
  - What are some ways we can worship God?
  - Why do you think it's important to set aside a day for God?
- We obey God by worshipping God!

## **5. Practice the October memory verse with the motions and a game:**

- Practice the memory verse like this: <https://photos.app.goo.gl/dotXV6gmGhbvG3849>
- Talk to the kids about how our God knows everything and He is good so we can trust Him when He tells us what to do and not do!
- Make up motions for things like pray, read the Bible, rest, think about good things, work, dance, help others, etc....with little ones I would just do about 3 motions per game / round.
- Then play God Says (like Simon Says).
- Every once in a while, say God says, "memory verse," and pause and have everyone do the memory verse and motions...or you could start each round in this way.
- Talk about how we can love God by worshipping Him and we can worship God in everything we do by remembering Him, obeying Him, and giving Him the glory! We cannot worship God if we are doing something that goes against Him – sin.

## **6. Pray with your family.**
